

Getting Started with World Book eBooks

1. Go to www.worldbookonline.com
2. At school, your computer should automatically log in.
3. At home, you will be prompted for a username and password.
Ask your librarian for the username and password.
4. In the **Research Tools** section of the home page, click on **My Research**.
5. If you already have a World Book My Research username and password, enter it now and login. Skip to Step 8.

6. If you are a new user and need to create a My Research account, click on **Create an account** and fill in the requested information and click Submit. Use your email address as your username and your email password for your password.

7. After creating your free account, you will be logged in automatically and taken to the My Research Welcome page.

- After logging in to My Research, click on the **eBooks** link in the bottom left corner of the screen.
